

## Families grow and change...

But God's plan for the family has not changed. We want to be an extension of the good and loving care you give your family. Your need for consistent qualified care for your child can be met by our Director, Vickie Rodgers, her assistant, Shirley Elkins, and their staff. Please call for an appointment or more information regarding Sunshine Ark Preschool and Daycare.

We want to help you keep your commitment to God and your family.

### Your Child's Safety

At Sunshine Ark Preschool and Daycare we take seriously the safety and security of your child. Visitors are screened and must have your permission to visit your child. We have strict guidelines for child drop-off and pick-up. Our inside play areas are inspected for safety, as is our playground equipment. Classrooms, eating areas and common areas are swept and mopped daily and all toys and inside play equipment is disinfected daily. We have regular fire and safety drills. Our facilities are built to current safety codes and our staff is instructed in pediatric CPR techniques. We want our school to be as safe, welcoming and comfortable as we can make it.

# Our Mission: Christ-filled Children

The Sunshine Ark Preschool and Daycare is a ministry of First Lutheran Church here in Floresville providing quality childcare for the surrounding community. We

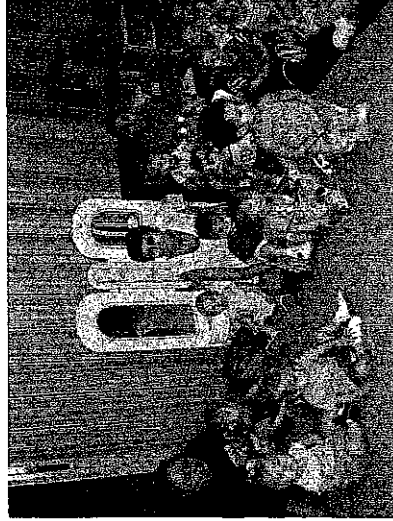

enroll children in our program from infants (six weeks old) to age four, plus we offer after school care to age twelve. We provide a wholesome learning environment, positive social interaction, as well as nurturing age-appropriate Christian faith and values training.

Our hours of operation are Monday through Friday, 6:30 AM to 6:00 PM. Sunshine Ark is licensed by the Texas Department of Family and Protective services. We currently have a licensed capacity of 125 children. We take pride in our philosophy and concern for your child's individual needs. Communication is the key to building that bridge between parents and the caregivers at Sunshine Ark Preschool and Daycare.
